

## Timeless Bay and Bow Windows

Nothing can open up a room, introduce light and expand your view of the outdoors quite like a beautiful bow or bay window. These window systems come in numerous styles and designs to give your home a unique and beautiful appearance—inside and out. You can select from bow and bay systems that are comprised of three to six individual windows. Each bow or bay is handcrafted and custom designed specifically to meet your personal needs and preferences.

### FEATURES & BENEFITS

1. Heavy-duty vinyl frames—with all corners fused together at high temperatures for extraordinary strength—have as many as 14 separate internal chambers to provide excellent insulation.
2. Soft White vinyl frames and sashes feature an exceptionally smooth, clean surface that keeps your windows looking beautiful for decades.
3. PPG's Intercept® warm-edge spacer system reduces energy loss through the glass.
4. Stainless steel "constant force balancing" (double-hung models) and engineered Truth® turn-handle systems (casement models) give you fingertip window operation.
5. Heavy-duty, 1-1/4"-thick wood in the head, seat and jamb boards provides strength and durability.
6. Elegant, handcrafted wood seatboards and trim are available in oak or birch—to provide the look and feel of fine handcrafted furniture.
7. Patented scupper system prevents moisture from accumulating in the window frames by channeling it outside.
8. Sealed insulation in the frames enhances the system's thermal performance and helps to keep your home more comfortable.
9. GAF Weather Watch sealant prevents water penetration.
10. Unique, specially designed cable installation system prevents sagging—and reduces the need for knee braces.
11. Automotive-type window glazing creates a super-tight seal.

### RECESSED HALOGEN LIGHTS

Introduce ambiance and warmth to your room with recessed halogen lighting.

### INSULATED SEATBOARD

Sit comfortably on a sill that stays warm even in cold weather because the seatboard is foam-insulated.

### LOW-E GLASS

Choose from a wide selection of high-performance Low-E glass systems for just the right level of comfort, energy-saving efficiency and security you want.

### INTERIOR WOODGRAIN FINISHES

Enjoy the beauty of wood windows without the maintenance. Select your Timeless windows with a strikingly beautiful vinyl woodgrain interior finish—(1) Golden Oak, (2) Walnut and (3) Cherry. These finishes will never deteriorate or require painting or staining.

**Note:** Due to factors such as variations in monitor color settings, the vinyl colors shown may not accurately depict true manufactured colors.

### DECORATIVE GLASS

Give your windows—and your home—their own special character by choosing from a variety of exquisite stained and leaded glass designs, or V-grooved and etched glass patterns.

### SOLARSHINE™ GLASS

Ensure that the glass in your windows stays cleaner longer by selecting SolarShine™ glass. Its unique built-in coating uses the sun's rays to loosen and break down dirt, while water sheets off the glass instead of beading—for a clear, sparkling "just washed" look.

### EXTERIOR COLOR FINISHES

Coordinate or contrast your Timeless windows to the color of your home by choosing from numerous beautiful exterior color finishes, including such as (1) Forest, (2) Brick, (3) Clay, (4) Terra, (5) Greystone and (6) Tudor Brown—or any custom color you desire.

**Note:** Due to factors such as variations in monitor color settings, the vinyl colors shown may not accurately depict true manufactured colors.

### INTERBLINDS™

Enjoy beautiful, always-clean mini-blinds—and enjoy instant privacy—with "between-the-glass" InterBlinds™.

### OBSCURE GLASS

Choose from a wide selection of distinctive obscure glass patterns for those places in your home where you need privacy.

### CONTOURED GRIDS

Enjoy the look of traditional colonial-style windows by selecting beautiful contoured grids that are inside the panes of glass so you don't have to bother with cleaning and dusting around them.

### BETTERVUE™ SCREENS

These unique screens will give you a sharper view of the outdoors—and the added air-flow you'll get for ventilation is almost like having no screens at all!
