

My refrigerator is energy-efficient. IS YOURS?

If your home is like most, your refrigerator consumes more energy than any other kitchen appliance. New ENERGY STAR® qualified refrigerators are at least 20% more efficient than new conventional models and 40% more efficient than models ten years or older.

\$75 LIPA Rebate

Purchase an eligible ENERGY STAR qualified refrigerator larger than 16 cubic feet and receive a \$75 rebate from LIPA. Offer good through December 31, 2011.

**For a list of eligible refrigerators, participating retailers,
and other LIPA rebate programs, log on or call today.**
