IMPORTANT CUSTOMER INFORMATION:

Congratulations on purchasing an ENERGY STAR® qualified compact fluorescent light bulb. Your purchase will save you money and help protect the environment. In order to process your instant coupon, your complete customer information is needed. This coupon is good for up to its face value on the purchase of ENERGY STAR qualified light bulb packages. This offer is available to all residential and business electric utility customers in Vermont, for a limited time, and is good while supplies last. **Limit: 6 bulb packages per residential Vermont electric utility account per calendar year and 25 bulb packages per business Vermont electric utility account per calendar year.** Customers wishing to purchase more than the above limits should call 888-921-5990. Coupon valid for ENERGY STAR qualified compact fluorescent light bulbs (CFLs) only.

This offer valid and redeemable at **Efficiency Vermont sponsored events and participating retailers only in 2008**. Void where prohibited, taxed, or otherwise restricted. Sales tax must be paid by customer on full pre-coupon price. This coupon cannot be combined with any other **Efficiency Vermont** offer. Total instant coupon cannot exceed purchase price and cannot be doubled or tripled. Personal identification may be required to redeem. **Efficiency Vermont** reserves the right to withdraw this offer without notice. **Efficiency Vermont** does not warrant the performance of these products, nor does it provide any warranties, either expressed or implied. Contact the retailer where the bulb was purchased or the manufacturer regarding defective items. **Coupons cannot be reproduced, photocopied or altered in any way. Doing this will make coupons invalid and unacceptable for payment.** In accepting these financial incentives, the customer agrees that **Efficiency Vermont** holds the sole rights to any electric system capacity credits and/or environmental credits associated with the energy efficiency measures for which incentives have been received. These credits will be used for the benefit of Vermont ratepayers.

AUTHORIZED RETAILERS INFORMATION:

To redeem, send instant coupons and completed coupon redemption form to EFI, 40 Washington Street, Suite 2000, Westborough, MA 01581-1013, with a summary of coupons by value, the address where check is to be mailed, and total amount of expected reimbursement. All batches of coupons sent to EFI must be accompanied by a completed coupon redemption form. EFI will reimburse you for up to the face value of the coupons— **not to exceed the purchase price of the product**—provided you have accepted this coupon in accordance with the **Efficiency Vermont** coupon redemption policy. For additional redemption forms, call 888-921-5990. As we cannot process coupons that are lost in the mail, we recommend mailing insurance for all redeemed coupons. Retailers must submit coupons to EFI by January 31, 2009 to qualify for reimbursement.

Coupon good toward the purchase of qualified compact fluorescent light bulb packages purchased between 6/1/08 and 12/31/08. **Limit: 6 bulb packages per residential electric utility account in Vermont per calendar year and 25 bulb packages per business electric utility account in Vermont per calendar year.** Customers wishing to purchase more than the above limits should call 888-921-5990. Expires December 31, 2008.

Disposing of Compact Fluorescent Bulbs and Lamps

Fluorescent lamps and bulbs contain trace amounts of mercury. Therefore, they should be handled as you do other household hazardous (“universal”) waste – stored carefully prior to disposal to avoid breakage and disposed properly. For more information on disposing fluorescent bulbs, visit www.mercvt.org.
