#### \* Definitions:

**Primary Contact** - The main point of contact. This person will receive all program emails and mailings for the organization. You can have multiple Primary Contacts. Primary Contacts automatically get a username and password for access to the ENERGY STAR Logos and "My ENERGY STAR Account."

**Secondary Contact** - A person within an organization designated as a secondary contact for CPPD. (Note: there may be more than one secondary contact for an organization.)

**Interested Party** - An interested party who will only get mass mailings that go to all ENERGY STAR contacts.
