

Puget Sound Energy

ADVANCED LIGHTING PACKAGE HOME BONUS

Builders:

Boost your home sales and your savings! Upgrading your homes to meet or exceed the ALP requirements will attract buyers looking to save money on their energy bills.

The \$100 ALP Home Bonus is limited to ten homes per year, per builder. You can also receive the instant showroom discount of \$20 per qualified fixture (up to \$800 per home). PSE has made no implied or express warranties or representations with regard to the products listed in this document or energy savings from the installation of the products.

**Home
bonus:
\$100 per
home!**

ENERGY STAR® LIGHTING PROGRAM

PSE.com

ADVANCED LIGHTING PACKAGE HOME BONUS

APPLICATION FORM

Step 1: Contact a PSE Lighting Representative listed below to confirm funding availability and receive approval. Each submission must be pre-approved in order for you to receive reimbursement. A separate application is required for each home.

Step 2: **Fax** the completed form to a PSE Lighting Representative at **425-456-2195**.

Builder information		Today's date _____	
Company name _____	Contact name _____		
Company address _____	City _____	State _____	Zip _____
Phone _____	Fax _____	E-mail address _____	
Showroom or distributor you are working with _____			
Home information			
Development name (if applicable) _____			
Home(s) site address _____	City _____	State _____	Zip _____
Total fixture count in home _____			

Step 3: A PSE Lighting Representative will confirm funding availability and provide approval.

Step 4: Purchase ENERGY STAR® qualified pin-based CFL fixtures with \$20 instant rebates at a participating showroom or distributor.

Step 5: Provide a PSE Lighting Representative with:

- Home Bonus Incentive Application
- Copies of the invoices or purchase orders for the fixtures from participating showroom/distributor

Step 6: You will be reimbursed once the installation of fixtures in the home(s) has been verified. Reimbursement from PSE is \$100 per home, limited to ten per year, per builder.

For more information,

megan.doyle@pse.com

Pre-approval depends in part on the location of the installation; must be in PSE's electric service area. Incentives apply to single-family, detached housing and any attached housing with four units or less. Apartment buildings are not eligible. PSE's ALP Home Bonus cannot be used in conjunction with PSE's Model Home Incentive. Offer applicable through December 31, 2011 and subject to availability of funds.
