GORELL EMPLOYEES DONATE MORE THAN \$3,700 TO MUSCULAR DYSTROPHY ASSOCIATION

INDIANA, PA, October 28, 2008—Employees at Gorell Windows & Doors recently raised more than \$3,700 for the Muscular Dystrophy Association (MDA). Three Gorell employees—Brenda Hill (Customer Service Manager), Tom Goda (Cost Accountant) and Mike Rempel (Executive Vice President) went to jail for the MDA’s “Lock Up” fundraiser. Gorell employees, customers and vendors pledged money to bail the trio out of jail. Employees also raised money through unique events like a “Dress Down for Charity” day. Gorell offered a “company match” to the amount employees, customers and vendors raised, bring the total donation to \$3,700. According to Lisa Gill, MDA District Director, Gorell’s team was the highest fundraiser for this year’s Lock-Up event.

“This is certainly a wonderful cause, and it was our honor to give what little time we did to raise this amount for such a worthy purpose,” said Mike Rempel, Gorell Executive Vice President. “I truly want to thank all those who donated, and I offer special thanks to Tom and Brenda, who did so much to make our total donation as high as it was. It’s a great feeling to be part of a company at which the employees truly care about people who are challenged in ways that many of us can’t imagine.”
