FEATURES & BENEFITS

1. Expertly engineered and incredibly durable vinyl frame with multiple structural hollows gives this door exceptional strength and insulating properties.
2. Robotically sealed corners ensure the door panel stays square and will never crack. They also prevent water and air from entering your home and eliminate the need for unsightly sealants.
3. Tempered glass is inserted deep into the doorframe and sealed to ensure a super-tight fit, providing the strength you demand for the safety of your family.
4. Premium-grade multiple weather seals are unique to this door's design, eliminating drafts and making the door airtight.
5. An elegantly styled handle with a stunning contour design fits the shape of your hand perfectly—and adds more than a touch of class to your home.
6. Commercial-grade multi-point keylock hardware makes your door so strong and secure you can use it as your home's main entry.
7. Full-length interlocking panels are screwed tightly in place—not just snapped on—to give you optimal strength and security.
8. Anodized aluminum sill track won't corrode, and it enables the door panel to glide as if on air.
9. A sloped sill is both beautiful and functional. It's a snap to clean and it is built to stand up to constant, everyday use.
10. 100 percent vinyl top-hung screen frame features BetterVue™ screens that will give you a clearer view of the outdoors—and the added airflow you'll get for ventilation is almost like having no screens at all.
11. The Intercept® spacer system, time-proven for long-term seal dependability and exceptional thermal performance, embodies glass technology at its finest.
12. Nylon tandem rollers make this door remarkably smooth and quiet to operate.

AVAILABLE MODELS

- Two-Lite Sliding
- Three-Lite Sliding

SPECIAL SLIDING DOOR OPTIONS

- Introduce more light into your home and expand your view of the outdoors with a three-lite door configuration.
- Make your door even safer and more secure with a secondary foot-operated lock.
- Get an even more elegant and sophisticated-looking door by choosing from six interior hardware colors.
- Help protect your doors from the elements with our Coastal Hardware package—and enjoy smooth, reliable operation if you live near salt water.

LOW-E GLASS

Choose from a wide selection of high-performance Low-E glass systems for just the right level of comfort, energy-saving efficiency and security you want.

INTERIOR WOODGRAIN FINISHES

Enjoy the beauty of wood without the maintenance. Select your Timeless sliding patio door with a strikingly beautiful vinyl woodgrain interior finish—(1) Golden Oak, (2) Walnut and (3) Cherry. These finishes will never deteriorate or require painting or staining.

Note: Due to factors such as variations in monitor color settings, the vinyl colors shown may not accurately depict true manufactured colors.

DECORATIVE GLASS

Give your door—and your home—its own special character by choosing from a variety of stained and leaded glass designs, or V-grooved and etched glass patterns.

SOLARSHINE™ GLASS

Ensure that the glass in your door stays cleaner longer by selecting SolarShine™ glass. Its unique coating loosens and breaks down dirt, and water sheets off the glass instead of beading—for a clean, sparkling "just washed" look.

EXTERIOR COLOR FINISHES

Coordinate or contrast your Timeless sliding patio door to the color of your home by choosing from numerous beautiful exterior color finishes, including such as (1) Forest, (2) Brick, (3) Clay, (4) Terra, (5) Greystone and (6) Tudor Brown—or any custom color you desire.

Note: Due to factors such as variations in monitor color settings, the vinyl colors shown may not accurately depict true manufactured colors.

INTERBLINDS™

Enjoy beautiful, always-clean mini-blinds—and enjoy instant privacy—with "between-the-glass" InterBlinds™.

OBSCURE GLASS

Choose from a wide selection of distinctive obscure glass patterns for those places in your home where you need privacy.

CONTOURED GRIDS

Enjoy the look of traditional colonial-style doors by selecting beautiful contoured grids that are inside the panes of glass so you don't have to bother with cleaning and dusting around them.

ENERGY STAR® ACCOLADES

Timeless products are made by Gorell—2004 to 2008 ENERGY STAR® Partner of the Year. Exclusive 2006, 2007 & 2008 Sustained Excellence Award winner.

EXCLUSIVE NCPC PARTNERSHIP

Timeless intruder-resistant windows and doors are made by Gorell, exclusive window partner with the National Crime Prevention Council.
