FEATURES & BENEFITS

1. Heavy-duty vinyl frames—with all corners fused together at high temperatures for extraordinary strength—provide excellent insulation.
2. Soft White vinyl frames feature an exceptionally smooth, clean surface that's highly resistant to dirt so that your doors look beautiful decade after decade.
3. PPG's Intercept® warm-edge spacer system reduces energy loss through the glass.
4. Aluminum-reinforced door panels provide additional strength and durability.
5. Tempered safety glass helps to protect against accidental injury.
6. Solid color-matched handles—designed to follow the contours of the hand—are elegantly styled and corrosion-resistant to provide years of everyday, problem-free service.
7. Rugged multi-point locking system engages concealed bayonet locks at the top and bottom of operating panels for tight closure and added security.
8. Exterior keylock set is so strong that it allows you to use your hinged door as a keyed entry point. With the Timeless multi-point locking mechanism, our hinged doors actually feature a powerful three-point locking system.
9. Innovative glazing bead, uniquely made of two materials, lasts years longer than standard glazing materials and provides maximum resistance to air and water infiltration.
10. Automotive-type glazing system creates a super-tight seal.
11. Integrated dual weather seal helps to keep air and moisture from entering your home.
12. 100 percent vinyl screen frames, heat-fused together at the corners, are top hung so that they stay on track and operate more smoothly and reliably than standard screens.

LOW-E GLASS

Choose from a wide selection of high-performance Low-E glass systems for just the right level of comfort, energy-saving efficiency and security you want.

ALMOND COLOR

Complement the look of your home with almond color vinyl frames (solid, clear-through) for a soft, muted accent to your home.

Note: Due to factors such as variations in monitor color settings, the vinyl colors shown may not accurately depict true manufactured colors.

DECORATIVE GLASS

Give your door—and home—their own special character by choosing from a variety of stained and leaded glass designs, or V-grooved and etched glass patterns.

SOLARSHINE™ GLASS

Ensure that the glass in your door stays cleaner longer by selecting SolarShine™ glass. Its unique coating loosens and breaks down dirt, and water sheets off the glass instead of beading—for a clean, sparkling “just washed” look.

INTERBLINDS™

Enjoy beautiful, always-clean mini-blinds—and enjoy instant privacy—with “between-the-glass” InterBlinds™.

OBSCURE GLASS

Choose from a wide selection of distinctive obscure glass patterns for those places in your home where you need privacy.

CONTOURED GRIDS

Enjoy the look of traditional colonial-style doors by selecting beautiful contoured grids that are inside the panes of glass so you don't have to bother with cleaning and dusting around them.
