

Timeless Series Vinyl Windows

Timeless products offer many fine qualities, although the number of options and special features is limited. These windows offer top-quality construction and have many unique attributes of their own. They feature an elegant millwork design in the master frame, and you can choose from either a sloped or integral pocket sill design on double-hung models.

FEATURES & BENEFITS

1. **NEW!** Premium-grade multi-fin weather seals create an airtight seal.
2. **NEW!** Heavy-duty, custom-designed locking hardware is recessed into the sash for a cleaner, more stylish appearance.
3. **NEW!** Contoured integral lift rail makes the window exceptionally easy to operate.
4. **NEW!** More substantial one-piece sloped sill design provides exceptional strength and rigidity. The bottom sash actually latches onto the sill, providing a super-tight seal. You can also choose our integral pocket sill design.
5. Fully enclosed screen pocket provides a cleaner, more beautiful look.
6. Heavy-duty frames in Timeless products are fused together at the corners at temperatures near 500° F. This solid one-piece frame design not only provides maximum strength but also forms a barrier that blocks water and air.
7. Stainless steel "Constant Force" balance system ensures "fingertip" operation on double-hung models.
8. Ventilation latches let you open the window just the right amount to allow for ventilation.
9. Paired with a rugged metal lock keeper that's fastened perpendicularly to the sash frame, it enables Timeless windows to pass tough AAMA forced-entry tests with ease.
10. Glass is bonded to the frame from the outside to create a super-tight seal. The harder wind blows against it, the tighter the seal becomes.
11. User-friendly latches on double-hung models provide unbelievably easy "tilt in" operation to make window cleaning fast and safe.
12. Insulating closed-cell foam wrap around the frame perimeter significantly helps to keep your home draft-free.
13. Intercept® warm-edge spacer system—the world's best, most proven spacer system—reduces heat loss through the glass and ensures glass seal longevity.
14. Elegant millwork design on the interior master frame gives you the look of handcrafted molding.

LOW-E GLASS

Choose from a wide selection of high-performance Low-E glass systems for just the right level of comfort, energy-saving efficiency and security you want.

DECORATIVE GLASS

Give your windows—and your home—their own special character by choosing from a variety of exquisite stained and leaded glass designs, or V-grooved and etched glass patterns.

SOLARSHINE™ GLASS

Ensure that the glass in your windows stays cleaner longer by selecting SolarShine™ glass. Its unique built-in coating uses the sun's rays to loosen and break down dirt, while water sheets off the glass instead of beading—for a clear, sparkling "just washed" look.

EXTERIOR COLOR FINISHES

Coordinate or contrast your Timeless windows to the color of your home by choosing from numerous beautiful exterior color finishes, including such as (1) Forest, (2) Brick, (3) Clay, (4) Terra, (5) Greystone and (6) Tudor Brown—or any custom color you desire.

Note: Due to factors such as variations in monitor color settings, the vinyl colors shown may not accurately depict true manufactured colors.

INTERBLINDS™

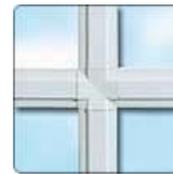

Enjoy beautiful, always-clean mini-blinds—and enjoy instant privacy—with "between-the-glass" InterBlinds™.

OBSCURE GLASS

Choose from a wide selection of distinctive obscure glass patterns for those places in your home where you need privacy.

CONTOURED GRIDS

Enjoy the look of traditional colonial-style windows by selecting beautiful contoured grids that are inside the panes of glass so you don't have to bother with cleaning and dusting around them.

BETTERVUE™ SCREENS

These unique screens will give you a sharper view of the outdoors—and the added air-flow you'll get for ventilation is almost like having no screens at all!

ENERGY STAR® ACCOLADES

Timeless products are made by Gorell—2004 to 2008 ENERGY STAR® Partner of the Year. Exclusive 2006, 2007 & 2008 Sustained Excellence Award winner.

EXCLUSIVE NCPC PARTNERSHIP

Timeless intruder-resistant windows and doors are made by Gorell, exclusive window partner with the National Crime Prevention Council.
